

NCFE Cache Level 2 Certificate

PREPARING TO WORK IN ADULT CARE

Be 19+ at the beginning of the academic year

Lived within the EU for the last 3 years

Live in London and earn less than the London Living Wage

With the growing demand for adult social care, it's critical that carers have access to the most recent resources so they can give their clients the best care possible. Additionally, the significance of safeguarding, equality and diversity, and duty of care will be taught to you.

Benefits

- Achieve a nationally recognised Level 2 qualification
- Evidence your competency to employers
- Learn how to handle hazardous substances and medication
- Further your personal and professional development
- Learn at a time that suits you without the need to attend college

What you will learn

- Principles of Communication
- Principles of Personal Development
- Principles of Diversity, Equality and Inclusion
