The Functional English courses are for anyone who wants to develop their English skills. These courses help you to develop your skills in reading, writing, speaking, listening and communication. Functional English courses are available at different levels to make sure your class is suited to you and your abilities.

## Benefits

- Nationally recognised English qualifications
- Further your personal and professional development
- Will vastly improve your career prospects.
- The courses will also help you to gain confidence and a positive attitude to learning. You'll be able to use your new confidence and skills in day to day life and work.

## What you will learn

- Entry level classes will help you to build practical, transferable skills. These classes are available at Entry 1, the starting point, through to Entry 3.
- Level 1 and 2 qualifications are designed to help you to read, write, speak, listen and communicate in English. You'll be able to apply these skills in the workplace and in other real life situations.
