

NCFE Cache Level 3 Diploma

DIPLOMA IN CARE

Be 19+ at the beginning of the academic year

Lived within the EU for the last 3 years

Live in London and earn less than the London Living Wage

Adult social care is a booming industry, and it's growing every year – by 2025, it's estimated that 2.63 million workers will be needed to fill roles within this sector. If you'd love to become a champion of health and social care and take on a wonderfully fulfilling role helping those who need it most, this accredited course will get you there.

Benefits

- Achieve a nationally recognised Level 2 qualification
- Further your personal and professional development
- It covers a wide range of areas including dementia awareness, mental health and well-being, supporting individuals with their physical and emotional care, daily living needs and healthcare procedures.

What you will learn

- Promote Communication in Care Settings
- Handling Information in Adult Care
- Person-Centred Practice, Choice and Independence
- Promote Personal Wellbeing
- Promote Equality, Diversity, Inclusion and Human Rights
- Promote Health and Safety
- Support the Health and Wellbeing of Individuals in a Care Setting
